

**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF TEXAS  
TYLER DIVISION**

**PRESQRIBER, LLC**  
Plaintiff,

v.

**GENERAL ELECTRIC COMPANY.**  
Defendant.

**Civil Action No. 6:14-CV-449**

**DEFENDANTS' UNOPPOSED MOTION FOR AN EXTENSION OF TIME  
TO ANSWER OR OTHERWISE RESPOND**

Defendant was served with the Summons on May 23, 2014. Defendant previously requested a 30 day extension in a First Unopposed Application for Extension of Time and a 15 day extension in a Second Unopposed Application for Extension of Time. Defendant's current response date is therefore July 29, 2014.

Defendant respectfully requests that the Court grant an extension of time in which to answer or otherwise respond to Plaintiff's Complaint. Defendant requests an additional 30 days until August 28, 2014. Defendant has discussed the extension with Plaintiff's counsel and it is unopposed.

Since the Complaint was served, counsel for Plaintiff and Defendant have been working to discuss potential resolutions of the claims advanced in Plaintiff's Complaint and Defendant's anticipated defenses. Complicating the discussions is the fact that there are different accused systems, with different component suppliers and vendors, and the potential confidentiality issues entailed by such a situation. However, the Parties believe that there is potential for an agreed resolution or narrowing or clarification of the issues in dispute. The parties and their counsel believe that the extension requested herein will promote these goals.

A proposed Order is attached.

Dated: July 29, 2014

Respectfully submitted,

/s/ David L. Terrell
